

ClearSky
Climate Solutions
for our shared future

May 15th, 2015

The American Society for Environmental History 2015 Washington, DC Conference

Thank you for finding your climate solution for your 2015 ASEH conference with ClearSky Climate Solutions! ClearSky has retired offsets from our Panama Native Species Reforestation project on your behalf.

Below is a summary of the work you have supported:

Project Name and Description	Number of Offsets Purchased	Offset Serial Numbers
Panama Native Species Reforestation project	85 metric tons CO ₂ e	PAN-PAN-2003-17236 through PAN-PAN-2003-17321

Total amount of CO₂ you've removed from the atmosphere: 85 metric tons!
