The American Society for Environmental History 2017 Conference

Thank you for finding your climate solution for your 2017 ASEH conference with ClearSky Climate Solutions! ClearSky has retired offsets from our Panama Native Species Reforestation project on your behalf.

Below is a summary of the work you have supported:

Project Name and Description	Number of Offsets Purchased	Offset Serial Numbers
Panama Native Species Reforestation project	150 metric tons CO ₂ e	PAN-PAN-2003-16029 through PAN-PAN-2003-16178

Total amount of CO₂ you've removed from the atmosphere: **150** metric tons!
